

NOTICE

Ethiopian ID Card Renewal

29 June 2015

It is to be recalled that a penalty has been levied on those who failed to renew ID cards given to persons of Ethiopian origin. In view of the feedback received from members of the Diaspora, the Government of the Federal Democratic Republic of Ethiopia has waived the penalty fee until **6th August 2015 (Hamle 30, 2007)**.

The Embassy therefore calls on all members of the Diaspora to renew their ID cards on time before the expiry of this new deadline.
