APPLICATION FORM

9th International Automotive Fair
 "Scan Globally, Renovate Locally"

Registration Date: _____ Stand No: _____

● Stand Application (page 1)

Company name: _____
 Name and Address of the company you represent: _____
 Street: _____ Sub-city: _____
 Country: _____ Postal: _____ Code: _____ City: _____
 Person to contact: _____ Mobile: _____ Home Page: _____
 Director of pavilion: _____
 Telephone: _____ Fax: _____ e-mail: _____ @ _____

● Correspondence (if other than exhibitor)

Company name: _____
 Name and Address of the company you represent: _____
 Street: _____ Sub-city: _____
 Country, _____ Postal: _____ Code: _____ City: _____
 Person to contact: _____ Mobile: _____ Home Page: _____
 Director of pavilion: _____
 Telephone : _____ Fax: _____ e-mail: _____ @ _____

● Invoice address

same as exhibitor same as correspondence Other (see below)

Company name: _____
 Tin.No: _____
 Street: _____
 Country, _____ City: _____

● STAND AREA REQUIRE (Minimum area: 20 m²)

Hall _____ Front Open-air section _____ m² _____ m² Open sides 1 _____ 2 _____ 3 _____ 4 _____

We prefer the same stand as at the IAF2011

Further requests (e.g. hall no): _____

Hall rent: 85 Birr/m² open-air Section: 70 Birr/m² Open sides: 60 Birr/m² Registration: 1000 Birr

FOR INTERNATIONAL PARTICIPANTS

Hall rent : 35 USD/m² open-air Section : 25 USD Open sides: 20USD/m² Registration: 200USD.

.....
In Door _____ x 85 Birr x 5 Days + 1000birr/registration = _____ +VAT = _____ Total Amount
Out Door _____ x 70 Birr x 5 Days + 1000birr/registration = _____ +VAT = _____ Total Amount
FOR INTERNATIONAL PARTICIPANTS
In Door _____ x 35 USD x 5 Days + 200 USD/registration = _____ +VAT = _____ Total Amount
Out Door _____ x 25 USD x 5 Days + 200 USD/registration = _____ +VAT = _____ Total Amount

2. Application (page 2) Exhibits

Exact description	Manufacturer	Country of production	Group

If necessary enclose confirmation of the manufacturer(s)

INDUSTRIAL ENGINEERING

- Group 1 All large, medium or small industries engaged in manufacturing & service sector in below given broad business categories. Machine Tools, Cutting Tools, Power Tools, Hand Tools, Couplings, Abrasives, V Belts, Hydraulic, Pneumatics systems, Pumps, valves, Electric Motors, Hoses, Pipe, Tubes and fittings, Electrical, Electronics, Instrumentation & controls, Testing & Measuring equipments, Automation Systems, Switchgears, Wires & Cables, Weighing systems, Material Handling, Safety equipments, etc. and For Automotive Industry as follows
- Group 2 Steel Manufacturers, Stockholders, Merchants, Machinery & Machine Tools, Attachments, Accessories & fixtures for Machine Tools, Welding Equipment & Consumables, Material Handling Equipment, Lifting Equipment, Waste Treatment Systems & Materials etc
- Group 3 Air Conditioning, Contractors, Engineering Software, Safety & Security Equipment & Systems, Testing & Quality Control Equipment, Machine Tools Industry, Diesel & Gas Generators, Boilers, Chemical Plants, Desalination Plants, Storage Equipment, Sales & After Sales Service Industry, Fire Detection / Suppression & Fighting Equipment, Health, Safety & Environmental Pollution Control.
- Group 4 Engineering collage ,Training institute, vocational, capacity building, etc.
- Group 5 Profile for exhibit include Ground Combat Arms, Fixed Wing & Helicopter Aviation Elements, Operational Support Units, Law Enforcement & Corrections, Food Service, Medical, Communications, Computers
- Group 6 Cargo and logistics, Transistors, Quality control services etc

AUTOMOTIVE

- Group 1 Passenger cars and complete body structures for passenger cars
- Group 2 Other motor vehicles for passenger transportation with a permissible gross vehicle dimension of not more than 3.5 t (Mini uses) and public transport Bus
- Group 3 Special motor vehicles
 - Group 3.1 Motor caravans
 - Group 3.2 Motor vehicles, which are exclusively suitable and determined for rescue, towing and transportation of up to two passenger cars with a permissible gross vehicle dimension of not more than 2.500 kg per vehicle.
 - Group 3.3 Motor vehicles for goods transportation which are derived from motor vehicles of Group 1
 - Group 3.4 Other special motor vehicles derived from motor vehicles
- Group 1 or Group 2
- Group 4 Motor vehicles with two or three wheels
- Group 5 Trailers (e.g. caravans) with a permissible gross vehicle dimension of not more than 3.5 t, suitable and extended for use behind motor vehicles of Group 1 to 4
- Group 6 Gas station, oil company, car care product
- Group 7 Parts and accessories for motor vehicles of Group 1 to 5; semi finished products
- Group 8 Products used for operation, care, maintenance and repair of motor vehicles of Groups 1 to 5
- Group 9 Professional literature, periodicals and similar publications a out road vehicle technology, motor vehicle traffic, transportation business, and motor sport
- Group 10 Presentation of organizations an corporations related to road motor vehicle engineering, motor vehicle traffic, or the transportation business
- Group 11 Protective clothing for the users of vehicles
- Group 12 Equipment and components for the modification of series manufactured vehicles of Groups 1 to 4 (tuning)
- Group 14 Procedures and equipment for the disposal of road motor vehicles and their components
- Group 15 Services for the design, testing, approval and quality assurance of vehicles and vehicle components, Insurance
